## About your speaker, Dave Delaney

With nearly 150 LinkedIn recommendations, decades of public speaking, performance, and professional communication expertise, Dave Delaney brings a unique blend of humor, energy, and impact to his keynotes that kickstart conferences and connects teams.

Dave is the founder of Futureforth, a strategic communication consultancy and published author **obsessed with improving how we communicate - human to human**. Trusted by brands like Google, LinkedIn, UPS, and associations like MPI, IABC, and SHRM.

All audience members receive a free digital copy of The Nice Method.

## Nice Method presentations enlighten, empower, and entertain.

**Radical Retention** - Build a reputable culture, attract and retain talent, and improve leadership skills with the Nice Method.

**The Master Communicator's Secret Weapon** - Discover the secrets to improving communication and company culture with a funny twist!

**Networking for Nice People** - Develop long-lasting professional relationships online and offline the *nice* way.

**The Root Down** - An ADHD-inspired presentation and process to know, respect, and connect yourself. With a focus on personal development and mental health.

**LinkedIn** "Dave blew me away (as well as the audience)...**an amazing speaker.**"

**Google** "He knows his stuff. If you have an opportunity to work together, **it will be worth it.**"

"Exceeded our expectations... His speech was **authentic, informative** and very well received by our audience."

"A true **professional joy** to work with."
